## education

2016 ■ CURRENTLY —

### Master's degree in Information Design

at la Universidad del Desarrollo, Santiago, CHILE  
& l'École de Design Nantes Atlantique, FRANCE

First semester abroad in an College exchange program. Exploration of design from another angle. Learning of Spanish. A second semester focused on learning data tools and representation. A third semester almost exclusively on the completion of the Master Thesis and the End of Studies Project.

2014 ■ 2016 —

### Bachelor's degree in Interaction Design

at l'École de Design Nantes Atlantique, FRANCE

Learning web design, user experience and user interface design. Using softwares such as Photoshop, Illustrator, InDesign and After Effects. Prototyping with HTML, CSS & JS.

2014 ■ 2015 —

### Foundation year in Global Design

at l'École de Design Nantes Atlantique, FRANCE

Discovery of various design fields: spatial, product, graphic, interaction design and packaging. Practicing my skills in drawing and learning art more generally.

2013 ■ 2014 —

### Language study program (STS)

at Highland Park High School, Dallas, Texas, USA

Studying in an American High School and living in a host family. Discovery of the culture of the country and improvement of my English.

2013 —

### Baccalauréat (High School Diploma)

at Les Bourdonnières, Nantes, FRANCE
